

## **Real Life**

Tales of terror; darkness nests –  
Lambent fields; so truly blessed –  
Murders gone and unconfessed –  
You know what happens in the rest.

life confined but Life so free,  
The freedom gained; begot for free.  
Life as life can never be,  
Meaning nothing needlessly.

Sleep in streets. Go softly sneaking,  
As the walls are slowly weakening.  
Alarming thoughts from people seeking  
Questions with another meaning.

Jolted soul; erupting head –  
Can't remember what was said –  
To Life I was so shortly wed:  
And now I must get out of bed.
